

ANNOUNCEMENT ON THE SELECTION OF THE BEST OFFER

Re: public procurement No. 003/2023/IM

In accordance with the Regulations of Ordinance No. 294 of the Chancellor of the University of Warsaw of December 31, 2020. The Heavy Ion Laboratory of the University of Warsaw kindly informs that in the public procurement procedure carried out under an open procedure for the purchase of a TWTA power supply for the Warsaw cyclotron for the Heavy Ion Laboratory of the University of Warsaw, the company's offer was selected as the most advantageous:

Spacepath Communications Limited
4 Bartley Point Osborn Way,
Hook, Hampshire RG279GX
United Kingdom

Justification of the choice

The offer received the highest number of points and fulfills the requirements specified in the announcement.
